RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Assistant Commissioner for Patents,
Washington, D.C.

Sir:

In the above-referenced patent application, the office, on April 11, 2002, issued a Notice of Non-Compliant Amendment. This indicated that a clean version of the replacement paragraphs was required, and a marked-up version of the replacement paragraphs was required. The explanation indicated that the entry of partial paragraphs is not permitted.

As is it is noted in the Notice that the resubmission of the entire Amendment is not necessary, attached hereto please find what is believed and understood to be required by the Notice. As it appears that the Amendment deals only with entire paragraphs, it is assumed that the Office is referring to the amendments of Brief Description of the Drawings, where a single sentence is broken into what appear to be different paragraphs.

Respectfully submitted,

Yoshihito MIZUTA
